6. In Mei-shan-k'ou (W 42-32, N 124-33) a city of about 50,000
30 locomotives. On the northwest side of the track
between Mukden and Chi-lin was a locomotive roundtable and a large
building, about 80 x 100 meters, situated in the railroad yard. It
appeared to be a locomotive repair shop and had about ten tall chimneys.
7. a Chinese worker averages
800,000 yuan per month in wages. this figure extremely
unlikely. Even allowing for pay increases in the past year the actual,
average is probably much closer to 500,000 yuan per year.
